FINANCIAL ASSISTANCE FOR PURSUING ASPIRATIONS

THE CONTEXT

To achieve our vision of becoming an institution that provides affordable quality education through innovative teaching and learning, equipping students with knowledge and skills in their chosen field, instilling values, and identifying hidden talents, we provide financial assistance to needy, deserving, and scholar students through fee concessions or fee instalment facilities, or by assisting them in obtaining various scholarships. The institution was established to provide higher education to Ulhasnagar city and neighbouring area students.

Due to financial constraints, many students cannot complete their higher education. Some come from the households where higher education is being sought for the first time. These youngsters struggle to finance college fees. Due to financial hardship, some students with hidden skills in sports, culture, and other sectors fall behind. Financial aid for students is primarily divided into three categories.

1. Financial aid for female students
2. Awards to deserving and financially needy students
3. Student Sports Scholarships

Without making any distinctions based on caste, race, or gender, the management offers financial assistance to all of the aforementioned students. To identify the students who deserve financial aid, a team of college lecturers is at work. As was already indicated, the need and academic achievement of the students determine who receives financial aid. After carefully examining the supporting documentation and rigorously adhering to the rules established for the specific purpose, the committee determines the list of students who are eligible for financial aid. College pays the tuition and examination fees for regular and deserving students who are unable to pay the fees because of their financial situation.

OBJECTIVES OF THE PRACTICE:

The college gives out a sizable amount of financial aid each year with the intention of providing students, professors, non-teaching staff, and society with financial and other help while keeping in mind the following noble objectives.

To provide financial assistance to the needy students who are financially weak, to save them from discontinuation of their studies.

- To support financially to all the deserving students without any discrimination of caste, creed or gender.
- To support financially to the students to achieve success in extracurricular activities such as Sports, Cultural, NSS, DLLE,
- To promote the 'equality' among the students
- To provide financial support to teaching and non-teaching staff of the college for the welfare of their families.
- To inculcate the values of 'generosity' and a 'sense of social responsibility' among the students.

The college has actively supported low-income students since its inception. The college is committed to providing financial aid to deserving students so they can pursue higher education. The college provides financial aid to the underprivileged and talented students in academic, co-curricular, extra-curricular, extension, and sports. The College has many associations to help students develop character and personality. These organisations organise academically-related extracurricular.

The management assists worthy students acquire financial aid from Trusts like Sarvanand Trust, Swami Shantiprakash Trust, and Regency Trust. Students can also pay their education expenses in instalments. The college recognises sports and artistically bright students. The college pays for their expenses, instruments, and infrastructure. The college provides free coaching for most games. Good singers, dancers, and actors receive free college education and coaching. The college also funds NSS and DLLE initiatives.

The college offers free Value Added and Certificate courses to help students improve their skills and prepare for the workforce. The college also partners with top foreign universities like IIT Bombay and the British Council of India to offer certificate programmes and industry-relevant skills. The college funds each course. The college also offers Mahindra, Kotak, and Telerang training courses. Free.

Students working on various projects receive financial aid since the college supports project-based learning. The college also provides funding for students researching unique ideas.

subject :- Application for Installment of
Admission fees.

Respected sir / madam,

Respectfully, I am interested in getting
admission to your college for m.com
but I am unable to pay the admission
fees as high as Rs. 11,600/- as
financial crises. Therefore, it is requested
to your kind honour to allow me to pay
the admission fees in instalments, for
which I shall be very grateful to you.

Instalment	Date	Amount (in Rs)
1st	Aug, 2020	Rs. 3000/-
2nd	Dec, 2020	Rs. 400/-
3rd	Mar, 2021	Rs. 8600/-

Thank you,
Yours faithfully,
Roshan tara shaikh
