Department of Banking & Insurance Seminar on Bridging the gap between CAMPUSES TO CORPORATE

During this session, the activity – Job Fair, a simulation exercise which was conducted for the sixth semester students to train them holistically for the interview process. Various topics were discussed such as group discussion, resume writing and personal interviews to ensure that students are trained in all aspects.

As per the design of the activity, class was divided into groups and each group represented an established name in the industry. In the session on Resume Writing, trainer discussed the do's and don'ts of resume writing with the students on the basis of which students prepared their resumes, which is revised as per the trainer's suggestions.

Derived from the concept of '7 habits of Highly Effective people' by Stephen Covey, a small discussion was conducted in the classroom to help students understand HR psychology and objective behind various questions asked in an interview. With this workshop, trainers aimed to ensure that students developed an understanding of what should and should not be said in an interview. Mock interviews were conducted in the classroom and students were given feedback based on their performances.

Later each team split further. One half of the groups behaved like an interviewing panel and the other half got interviewed by the other groups. After a successful interview, the interview panel issued an offer-letter to the candidate. Should a candidate procure three such offer-letters, he/she was eligible to go for another round of the interview with the trainers. Once all the interviewees had been interviewed, they swap places with the interviewers, and the procedure was repeated.

SSTCollege Department of BMS, BCBI and Placement Cell organised Bank Nationalization Day - Session on Investments in Mutual Funds
