

SST College celebrated 74th Independence Day It is a day of pride, love, and respect towards the country.

The Independence Day celebration is a day where all students, faculties, and staff pay tribute to the nation and freedom fighters of India. It is a day of pride, love, and respect towards the country. As a part of this celebration, Founder Principal Dr. J. C. Purswani hoisted the national flag and delivered the Independence Day Speech. As a part of this event, IQAC Co-ordinator Dr. Khusbhu Pur-

swani, NSS District Co-ordinator & Vice-Principal Mr. Jeevan Vichare, Vice Principal Dr. Santosh Karmani and other faculty members recalled the freedom struggle and paid respect towards our nation. The celebration of Independence Day ended with patriotic songs and a parade led by NSS Leader Ankush Sonawane and Yogesh Bhalerao

SST College in association with GAD-TLC organised National Webinar on “E-LEARNING, E-CONTENT AND COPYRIGHT ISSUES”

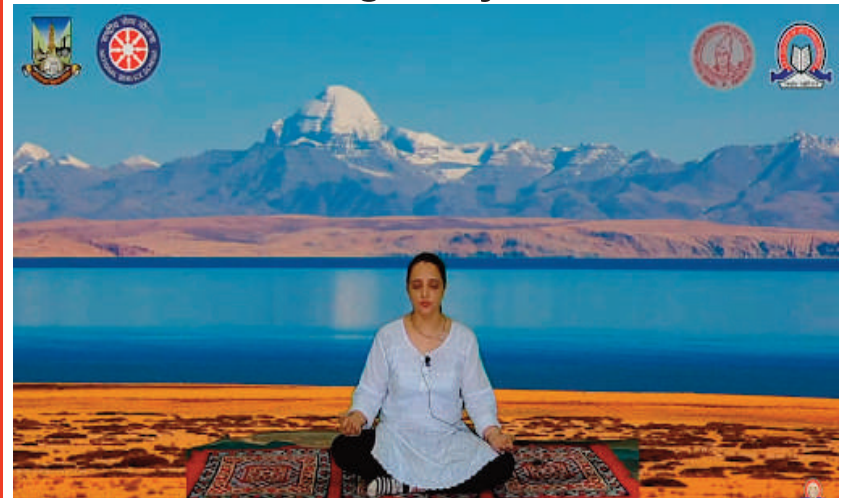

During the lockdown period, SST College and Vidyadan organized more than 50 webinars on various educational topics at various national and international levels. In the same vein, a national webinar on e-learning, e-content and copyright was recently organized in collaboration with Guru Angad Dev Adhyayan Adhyapan Kendra under the auspices of the Union Ministry of Manpower Development.

In today's global epidemic, the online education system has emerged as an alternative to actual education. This webinar was organized with the objective of training the teachers about

this new method. The keynote speakers were the Vice Chancellor of PDM University in Haryana and the Chairman of GAD-TLC, Dr. A. K. Bakshi gave guidance on e-learning, e-content in very simple language and with various examples.

In addition, Dr. Vimal Rah, Project Head and Joint Director, GAD-TLC provided guidance on copyright. More than 3000 teachers took advantage of this webinar. Dr. Puraswani, Founder Principal of Manas SST College, said that SST College will continue to organize such webinars in the future for teachers to update their knowledge.

SST College NSS Unit organised and celebrated International Yoga Day in Virtual Mode

The Prime Minister of India Narendra Modi started celebrating International Yoga Day on June 21, 2015. In this connection, SST College has been celebrating this day with teachers and students every year. However, due to the global pandemic of Corona, it was not possible to celebrate Yoga Day in the colleges online sessions were organised by college.

How to boost your immune system? On June 20 she taught useful yoga asanas by giving information about same and also delivered in-

formation about benefits importance of Yogasana on 21st June International Yoga Day. More than 1500 people took benefit from this online yoga camp and a 5-day quiz competition related to yoga was organized. 2000 contestants had participated in this competition.

All of them were given e-certificates. In these activities, the Founder Principal of SST College, Dr. J. C. Purswani as well as Vice Principal Dr. Khusbhu Purswani, District Coordinator of NSS Mr. Jeevan Vichare's guidance benefited the participants.

SST College Examination Committee organized National Level Webinar on “EXAM STRESS RELIEF”

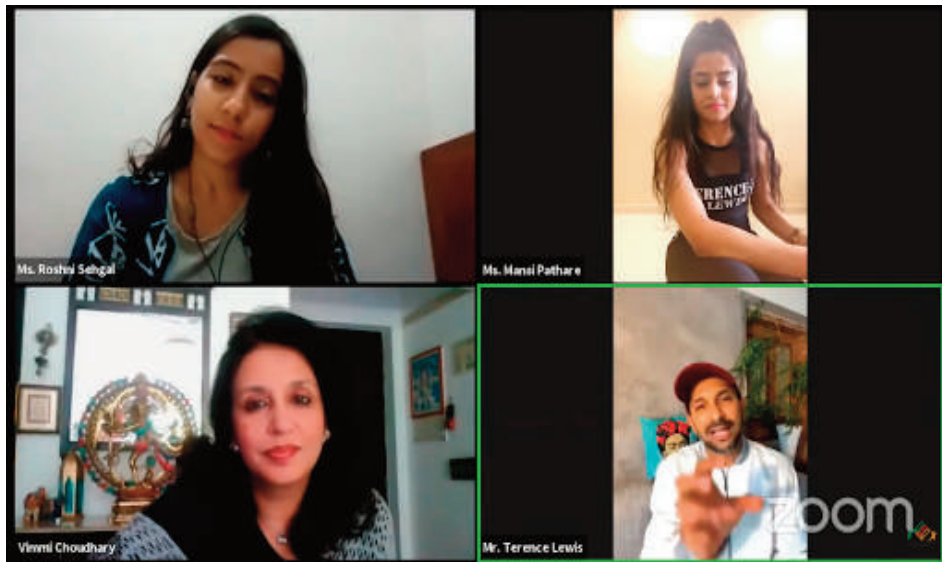

During the lockdown period, SST College organised National and International level webinars on various academic topics under the theme 'Vidyadan'.

The keynote speaker was Dr. Radhakrishna Pillai, author of Leadership Coach, Corporate Trainer, an internationally acclaimed book, Corporate Chanakya. He said that one should keep one's thoughts positive and also exercise and meditate.

He also gave the mantra of 3P, positivity, practice, prayer. More than 3000 students, parents and teachers from different states of India took advantage of this webinar. Parents, students and teachers commented that the webinar was very useful and inspiring.

Dr. J. C. Purswani, Founder Principal of SST College, expressed his intention continue to organize such webinars in future.

A unique initiative for the students of the BAMMC department of SST College

Lockdown is currently underway everywhere. Schools and colleges are closed. In this situation, various activities have been undertaken by SST college for the students to make good use of their time. In addition to online tasks, online objective practice tests of students have also been conducted. Apart from this, quizzes on various subjects as well as other innovative competitions were also organized.

The BAMMC department of the college has started a series of webinars to help the students develop various skills along with their knowledge of the subjects as well as to know the different parts of the career and the expectations of the industry. The students were introduced to dance training and dance careers so far through the well-known Bollywood choreographer Terrence Lewis.

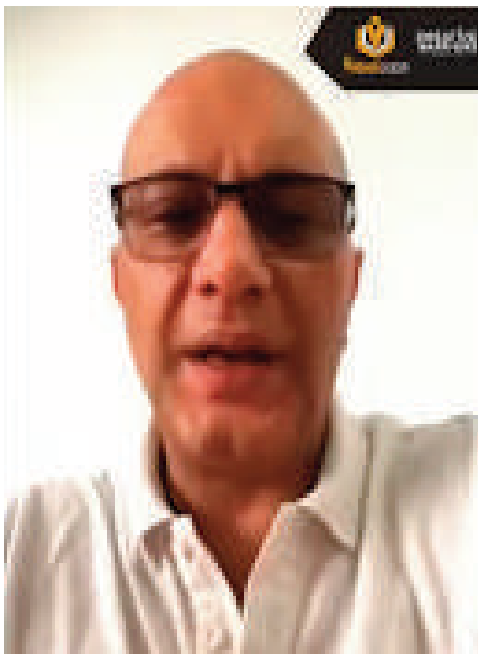

Actor Amit Behel also discussed opportunities in the field of acting. Anurag Sharma, a well-known actor in the Indian television world, discusses this opportunity in Delisope.

Students should know these things in overall media studies .. Choosing a career should be convenient for them .. And in this situation they should be able to learn something new. The webinars are jointly organized by the

National Skill Development Corporation and the Media and Entertainment Skills Council. It will also have webinars on new topics such as animation area, amusement park.

Students of SST College as well as students of other colleges are also taking advantage of this webinar. The students have in-

formed us through their online feedback that this webinar has provided them with various skills as well as knowledge of the expectations of the industry but also opens the door to career opportunities which we do not know.

The feature of any program of SST College is provide support to the teachers in organising the committees of the program Rituja Sonawane, Saloni Shitole, Manish Hatkar and Shaun Kadam are also actively participated in this webinar to make the webinar a success.

"We are connected to our college from home and our college is always ready to impart new knowledge to us in this difficult situation. We are also contributing to the success of this webinar," the students told our correspondent over phone.

SST College Celebrated Ashadi Wari by following the rules of lockdown

Ashadi Ekadashi is celebrated with great devotion in SST College every year. In this, Dindi is drawn by worshiping Vitthal Rukmini. A large number of students and professors participate in it, but this year the festival will not be celebrated like every year due to lockdown.

For this, Vitthal Rukmini was worshiped along with a few pro-

fessors and staff and Dindi was taken out in the college chanting Gyanoba Tukaram. At this time, all the Warakaris took a bath in water. Asst. Prof. Tushar Wakse, Head of Cultural Committee of the College, Prof. Anil Tellinge, Program Officer of NSS, and Khushbu Puraswani, Vice Principal worked hard to make this event a success.

SSTian Ashish Chaudhary tops in NASA EXAM

Ashish Chaudhary, a BSc (IT) student from the well known SST College, Ulhasnagar 4, has recently passed the interview conducted by NASA for the post of Data Scientist.

Ashish Suresh Chaudhary, a resident of Ashele village, graduated from SST College, Ulhasnagar with a BSc in IT and started working as a software engineer. He also worked as a Junior Scientist. He always persevered in his studies and passed the NASA and Eagle Boy Scout exams with a score of 99.6%. In this, Ashish achieved success by performing brilliantly. SST College, University of Mumbai, Ulhasnagar city, India helped ashish earning this selection of his in NASA.

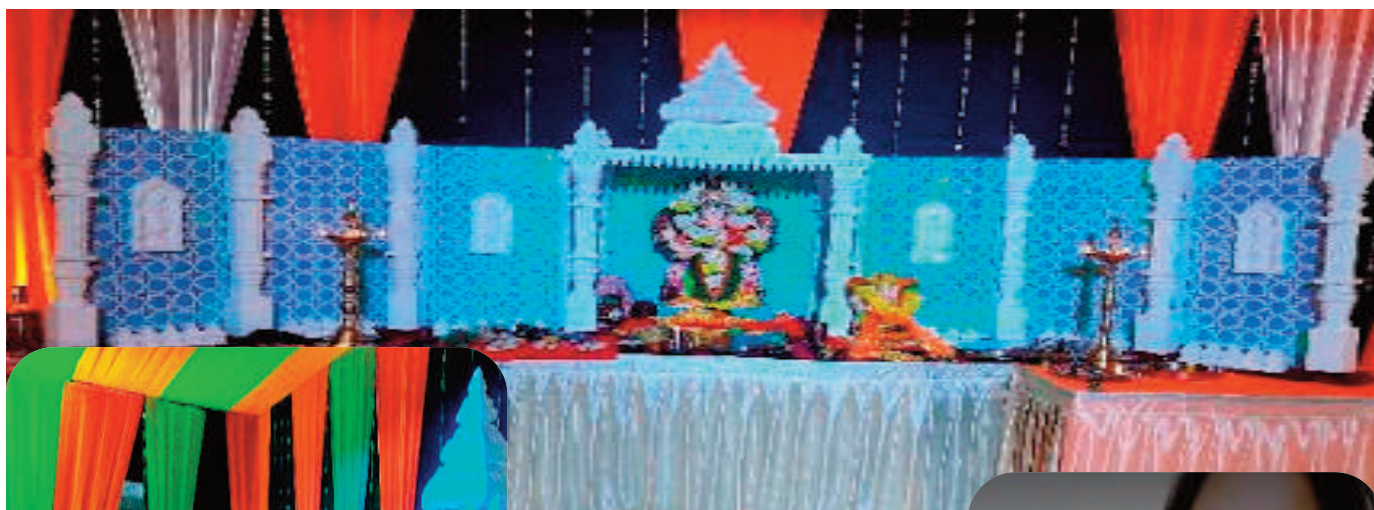

When ashish's father passed away only when he was six months old, his mother was working as a teacher. His mother always encouraged him to dream big. His mother says that it was Ashish's dream to work as

a data scientist.

When asked about Ashish's success, he says that all the credit for my success goes to my mother, wife and also the principal, vice-principal and all the faculty of SST College. The development of my personality was due to the various activities carried out by our SST College for the holistic development of the students during the course of college education which included various cultural programs, sports as well as various training programs including preparation for interviews, preparation for competitive examinations. Ashish also said that he has benefited a lot from the fact that various courses are offered free of cost to develop skills in the college.

About this choice of Ashish, the Founding Principal of SST College, Dr. J. C. Puraswani congratulated him and also felicitated him on behalf of the SST college.

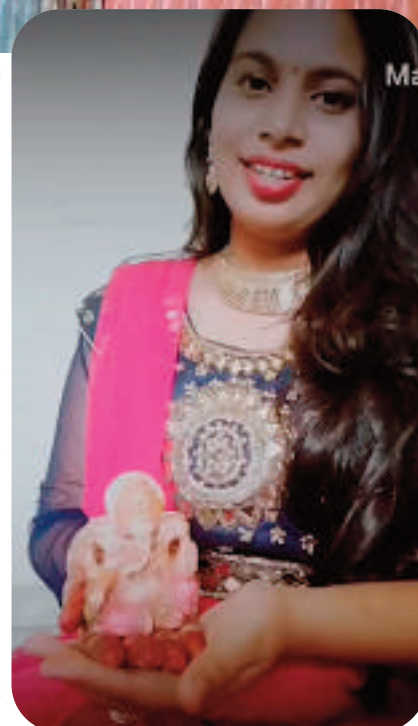

SST College cultural committee Virtual Ganshostava (Eka – Akshara)

With tradition and message of Shri. Lokmanya Tilak, we celebrate the Eka-Akshara the lord Ganesha festival since last 10 years.

Every year we come up with a unique concept that gives message to society, similarly this time we celebrated eco-friendly Ganpati this year at campus. The Ganpati idol was made by paper cups by students of committee.

During the festive days we conducted various intellectual and fun loving events in the campus for intellectual development and refreshment of students.

SSTian Rani Yadav honoured with “Honorary Doctorate” by Hope International World Record

Rani Yadav, a student of SST College, was recently honored by Hope International World Records with an honorary doctorate for her outstanding work in writing.

Dr. J. C. Purswani, Founder Principal of SST College expressed his views and expressed his intentions of organising such webinars in future.

“Safe Rider Training Session – United Way”

The Speaker gave a speech on road safety and use of Driving license and rights of the Passenger. They stated that driving is a choice and Not a Right. The webinar was organized on 18th August, 2020. E certificate was awarded to every participant.

The main motto was to create awareness on road safety, wearing Helmet, Seat belts, Non-use of cell Phone while driving and not to drink and drive.

“International Laughter Yoga Webinar” organised by SST College

The better way to get rid of stress when the whole world is under stress during the time of lockdown is to laugh out loud. The initial artificial smile then becomes natural. This not only makes the mind happy but also makes the circulatory system in the body efficient. It also enhances immunity. Dr. Madan Kataria is the father of this comedy sessions. More than 6000 comedy clubs are working under his guidance in almost 60 countries around the world. Dr. Puraswani, Principal of SST College, re-

cently took the initiative to organize a humorous webinar to relieve the stress of everyone under the current stressful situation of corona. More than 1000 listeners from India, France, Italy, China, Bahrain, Czech Republic etc. enjoyed this webinar online from their homes. We reported that our youngsters were relieved of their stress and laughed out loud after many days. The technical assistance for this event was provided by Mumbai University and College Teachers Association.

SST College NSS unit organised an online individual tree planting programme

“to create awareness and protect the environment”

The NSS unit organised an online individual tree planting programme to create awareness and protect the environment. A total of 65 students participated in the programme. Volunteers planted the trees in the surrounding areas of the college, and all other participants planted at least one sapling in their nearby places. Prof. Jeevan Vichare Sir instructed the NSS volunteers

how to plant and nurture new trees. Different types of saplings were planted in nearby areas of the college. A total of 50 saplings were planted. Students were very active throughout the plantation. All students pledged to look after the plants until their growth. Students realised the importance of tree plantation and expressed their concern for the global warming era.

SST College in collaboration with the National Disaster Management Force (NDRF) distributed 10,000 packets of foods to the poor and needy

SST College, Ulhasnagar, which has always been at the forefront of social work, has maintained its social commitment by distributing food packets to the poor and needy even during these difficult times of lockdown. Department of Mass Media organised webinar on DESIGN CAREER IN MEDIA & ENTERTAINMENT INDUSTRY

The speaker of the programme Mr. Pankaj Sehjowalia (Founder & Principal, Lotusutra and Academic Head at the Creative Compass Institute) expressed that with so many professional possibilities to explore as a media designer, it's no wonder the design career path continues to grow in popularity for un-

dergrads in the digital media arena. From creative jobs in the entertainment and advertising industries to roles in science or healthcare that specialize in communication, there are plenty of media design careers available to the skilled media designer. Students got valuable information through the programme.

SSTian Sandip Joyeshi won Silver Medal in the State Level Junior Athletics Championship

Junior State Athletics Championship (Men's) was organised by Pune Athletics Association from 19th to 22nd December 2021 at Pune. Total 35 districts participated in this championship. In order to build up the confidence and to motivate the participants each district had sent their coach and manager along with their participants. It was really noteworthy to highlight that 400 students had participated fervently. We are honored to say that the SST College accomplished the "Silver Medal" by securing 2nd place in this Tournament.

SSTian Gauri Jadhav won the Silver Medal in National Level Wrestling Championship (Women's)

National Level Wrestling Championship (Women's) was organized by Karnataka Wrestling Association at Bellari, Karnataka from 19th March to

21st April 2021. Approximately 400 students from 25 states participated in this championship. Gauri Jadhav from SST College Won the Silver Medal. The Founder Principal of SST College, Dr. J.C. Purswani congratulated the young achievers and motivated them to maintain their performance in future as well. The Principal added that the college players have always made a mark in various championships and, as a result, SST remains a forerunner in sports.

SSTian Sandip Joyeshi with his adorable performance won "Gold Medal" by achieving 1st place in State Level Junior West Zone Athletics Championship

Junior West Zone Athletics Championship (Men's) was organized by Rajasthan Athletics Association from 24th to 26th Feb 2021. Total 4 States had participated in this grand event. Each States had sent their coach and manager to escort their participants so that if any problem arises in the field they will be tackling the situation and will guide them properly. It was surprising to see that there were 100 students who had keenly participated in this Tournament and we were proud to admire that from SST College, Sandip Joyeshi with his adorable performance won "Gold Medal" by achieving 1st place in State Level Junior Athletics. The winners had been awarded with the medals along with the sport activity certificates.

The Principal of SST College, Dr. J.C.Purswani admired the astounding performances of the students and praised the perseverance of SST Student Sandip Joyeshi for his grand achievement for winning "Gold Medal" in State Level Junior Athletics Championship.

SSTians participated in National level Ball Badminton championship organised by Rajasthan Ball Badminton Association

National level Ball Badminton championship (Men's and Women's) was hosted by Rajasthan Ball Badminton Association from 31st March to 4th April 2021 in Jaipur, Rajasthan. A total number of 240 students from 25 different states participated in this event. A men's and women's team of SST also participated in this tournament. Our players faced

tough competition. Though they sweated it out on court, they couldn't make it to the finals. This tournament provided the much needed exposure to our team. The coaches were proud of all the players. The badminton season concluded, although we had not won the matches but we had certainly learnt a lot as far as the game is concerned.
