

S.S.T. College of Arts & Commerce

(Affiliated to University of Mumbai, Mumbai)
Ulhasnagar - 421 004, Dist. Thane.

BEST PRACTICE
SPORTS

As is widely known the “sound mind exists in sound bod”. Keeping in mind this concept besides academics, the college places a premium on students' involvement in extracurricular activities. Participation in sports can have a positive effect on students' emotional and physical well-being, as well as their overall development as people. Teenagers today face a lot of problems, have a lot of career options, and get help from the government. It is important that they find positive outlets like sports. The institution has therefore made an effort to ensure that the vast majority of students use the sporting facilities available to them. College is a gateway for students to expand their horizons in many ways: intellectually, ethically, culturally, personally, athletically, practically, and professionally. SST College increased its reach to the national and international levels while also getting popular day by day.

OBJECTIVE

Sports are always a crucial part of a liberal education. The college is renowned for its superior work and persistent efforts to increase student interest in sports. Institution always dedicated for motivating, empowering, and inspiring young students to participate in sports. Sport gives pupils much more than just a fitter, stronger body. s. The college coached many students and is a strong believer in the values and skills which sport can generate.

- To provide them with an opportunity to pursue Career in Sports.
- To inspire learners to take an active role in sports.
- To inculcate discipline and competitive spirit among the students through sports.
- To attract and retain good sports person to the college.

A full time sports teacher and mentor is appointed in the college. The students are encouraged to participate in different sports and the infrastructure and facilities are provided therein. The college has provided facilities for various indoor and outdoor sports. Students are encouraged to take part in a variety of indoor and outdoor activities, including chess, carrom, table tennis, rifle shooting, boxing, yoga, badminton, kabaddi, and Kho- Kho. Students train on the college's own sports field before participating in outdoor competitions. Every year, students from every department compete in intra-college sports, with the winning department receiving the Championship Trophy. Every year, a variety of college students compete in an intercollegiate sports tournament in which they are recognised with trophies and certificates. The admissions counseling team conveys to sports students the financial advantage. For sports students, guidance lectures are held so that, in addition to co-curricular

activities, their academic performance will also advance. The Sports unit receives individualized training with a range of amenities.

By entering into Memorandums of Understanding with a variety of sports organizations, we were able to secure the finest sports facilities and instruction available. For the purpose of allowing sports students to devote the greatest possible amount of time to training at their individual facilities, a study and testing system that was adaptable to their needs was established for these students. Free participation in sporting events is offered to athletes as a means of luring and preserving quality athletic talent. The money for their nutrition comes from a separate pool of money provided by management. At the annual celebration, those who have excelled in their work are rewarded with specialised cash prizes as a performance incentive.

TOTAL NUMBER OF STUDENTS PARTICIPATED

Particulars	2016-17	2017-18	2018-19	2019-20	2020-2021
GIRLS	127	166	496	741	183
BOYS	276	325	677	1007	268
Total	403	491	1173	1748	451

TOTAL NO OF STUDENTS PARTICIPATED

Figure No. 1 shows an upward trend in participation between boys and girls from A.Y. 2016 to A.Y. 2019. Girls Participation increased from 127 to 741. In a similar manner, the overall number of boys students participation increased from 276 to 1007. Due to the pandemic, contribution was reduced in the A.Y. 2020 to 21.
