Visit to SEBI

Brief Report

On 08th January, 2018 a group of 40 students of Management stream visited Securities Exchange Board of India, Bandra. Students were addressed by the head of the Investor's grievance cell of SEBI. The Resource person Mr. Rajesh Deshmukh delivered a lecture on the importance of the investor's grievance redressal forum and explained types of redressal forums available. The main objective of the visit was to see the prestigious institution and to learn something from the resource persons of the institution. Our college believes that such visits will enable our students to get firsthand knowledge of the regulator's policies and the direct interaction of our students with SEBI officers will certainly motivate our students to aspire for a better career in future. In the first one hour, he introduced SEBI with its brief history, its functions, powers and responsibilities in regulating IPO, FPO, OFS and the stock exchanges. The second session was an interactive session. Students asked their doubts and the resource person answered all queries of our students very patiently. The session was very useful and a really different kind of an experience for our Finance students. This Visit gives practical exposure to the students about various topics related to role of SEBI in financial Markets. Asst Prof Sunil Shah proposed a vote of thanks for their hospitality and a very effective session.

Session on Effective PowerPoint

BRIEF REPORT

Department of Banking & Insurance organized “Session on How to Prepare Effective PPT” on 29th June 2017 at 11:00 am in Room No. 208. The Resource Person was Asst. Prof. Mayra Lachhani from Department of Information Technology & CS. The guest speaker was heartily welcomed by Kajal Bhandaree , a student of SYBCBI . The guest speaker Asst. Prof. Mayra Lachhani having 7+ years of rich experience effective PPT guidance The Resource Person Asst Prof Mrs. Mayra Lachhani informed students that a PowerPoint presentation is similar to a poster presentation, only the information is on computer slides rather than actual posters. They are usually used to accompany an oral presentation; they should enhance the oral presentation instead of serving as speaking notes. You can incorporate audio and visual media. They are often used to share information with a large group, such as at a professional conference, classroom presentations, and meetings..There are three main elements to a PowerPoint presentation: Text Images Graphs or Tables. The Resource Person who also guided that when writing a PowerPoint presentation avoid

- Clutter the slide with graphics
- Use complicated fonts.
- Add superfluous information
- Put down every word you are going to say.
- Use images if they will distract.
- Use hard to read color combinations, like black on blue. Try to use high contrast combinations.

Students learnt to make PPT more effective.The vote of thanks was given by a student Neha Gupta of SYBCBI and HOD of BCBI Department presented a small token of appreciation to our valuable guests.

**Seminar of How to Manage Money & Be a Smart Investor - (BSE)
Presentation Preparation**

BRIEF REPORT

The Department of Banking and Insurance organized a workshop on “How to manage money & be a Smart Investor” on 21st July, 2017 from 11:00 am in Room No.G2 for the students of BCBI. Mr.Ramesh Kale. educated all the students about smart and safe investments. Dr. J C Purswani, Principal , presided over the function. The faculty members of the Commerce and Management Department were also present. Ms.Vaishali Vayle, a Student of BCBI welcomed the Guests. The objective of the program was to create awareness among investors and protect them from dubious investment campaigns and to inculcate right investment habits.The objective was to give exposure to students to real life scenarios of what they are studying in classrooms. Not only could they see what they are learning come alive but also become aware of the importance of early age investment for the long term which would fetch them maximum returns. He spoke about the intertwined relationship between money, spending and investment. Furthermore he gave information about investment options like stocks, mutual funds and the tool of Systematic Investment Planning (SIP) and gave some inputs regarding the risk of investment. He showed some calculations regarding interest.

He explained why it is important to invest in mutual funds at an early age to get the maximum returns and the importance of investing in good companies in the market for long periods of time. Students also got to know about various investment solutions and how to make use of them for monetary benefits.

The program was conducted by Bombay Stock Exchange. The appointed resource person delivered two hours of audio visual training and talked about various issues involving financial planning such as the need for financial planning at an early age, various investment avenues in the Indian financial market, precautions prior investment, investment portfolio design, nurturing the habit of investment with the students.

Resource person Delivering Session

Learning outcome

- How investments can be made from the very first day of the salary
- The session was interactive, informative and interesting.
- Speaker created interest among the students towards the investment.

This talk removed the ambiguities, doubts and confusions regarding investment options and Mutual funds particularly.

The session was interactive and was concluded by addressing the benefits of long term investment with the passage of time.

The session was mostly an interactive one amongst the resource persons and the enthusiastic participants who were eager to learn various aspects of investing in the financial market. The resource person also clarified all doubts raised by the participants. The program concluded with a formal vote of thanks by Asst. Prof. Deepika Valecha.

First Year Induction

Objectives:

- To help new students adjust and feel comfortable in the new environment.
- To furnish them with an ease of transition to mainstream Banking and Insurance studies through the introduction of ethos and culture of the institution.
- To help entrants build progressive and emotional bonds with peers and faculty members to self-explore and comprehend the larger purpose.
- To promote holistic development through the exposure of a wide gamut of curricular, co-curricular and extracurricular activities.

Outcome:-

- Students gained Knowledge about the vision, mission & goal of the institution.
- Introduction about the BCBI Programme was given to students.
- Students were guided about various curricular and extracurricular activities.

BRIEF REPORT:

The Department of Banking and Insurance conducted an induction Programme on 27th July, 2017 in room no. 104 at 10.00 A.M. 64 students attended the induction session.

Event was inaugurated at the predetermined time with the blessing of Goddess Saraswati and college song. Principal Dr. J.C. Purswani welcomed the fresher's with his warm address.

Change is inevitable. Transition period is always tedious. So is the transition for students from their pre-university academics to professional curriculum. After rigorous training and planning required to join a professional college, students deserve time to unwind themselves to forge new relations with fellow students and familiarize themselves with the new environment.

Asst. Prof. Varsha Sawlani delivered the entire session highlighting college infrastructure, Scope of Banking and Insurance course and different curricular and co-curricular activities available in college. Students were also emphasised over compulsory attendance. This session facilitated the students to build a familiarity with college premises, its culture and various authorities.

And also the talk dwelled the students improve their practices that would help develop one's own confidence while assessing the symptoms of a self-confident individual. That need to stay focused to channel a broader thought process while working hard and learning simultaneously was a definite take away from the session.

Glimpses of Session

Debate Competition

BRIEF REPORT

On 14/08/2017, the Department of Banking & insurance organized a Debate Competition in Room No. 208 at 12:00 pm. Asst. Prof. Deepak Gavade from Department of B.M.M and Asst. Prof. Deepak Dubey from the Department of IT was invited as judges. Topics were given on the spot to students. A large number of students enthusiastically took part in this competition. All the participants spoke exceptionally well either in support or against the motion. The competition was judged on the parameters such as novelty and relevance to the topic, style of delivery, fluency and confidence. All Students received certificates of merit. Judges announced first and second Prize and students were awarded with Certificate of Merit.

Students developed interactive skills and learnt how to express their opinion in front of an audience.

Resource Person

Asst. Prof. Varsha Sawlani

Coordinator of BAF Department, SST College of Arts & Commerce

She not only elaborated the importance of research but also guided the students about various technical terms which are required to be understood for carrying out a research work. Different chapters needed to be prepared for research work were also highlighted during the session. Total Number of students attending the session were 32 and benefited from this. Objective research concept, Research methodology, Analysis and Data interpretation, conclusion were the core topics of this session. Students asked their doubts and all the queries were solved patiently by the resource person.

Mock Interview

BRIEF REPORT:

A mock interview was conducted for students of the third year on 21st February, 2018. under guidance of the Resource Person of Ms. Khushbu Purswani. To feel confident during real interviews with employers, you should hone your interviewing skills with mock interviews. Practicing for an interview will help you become accustomed to the interview process and gain more confidence. The main purpose of a mock interview is to accustom you to the different interview environments and increase your self-confidence. You will then be less likely to be nervous during the real interview. Additionally, mock interviews will familiarize you with commonly asked interview questions. The Interview panel assessed the technical and communication competence of the students and gave them individual and group feedback on their performances. Students found it to be a good rehearsal for an actual job interview. It was treated as a part of placement related training and continuous assessment of the students during the course. The no of students were 15.
