## SY & TY Orientation

### BRIEF REPORT:

The Department of Commerce (Banking and Insurance) has organized Orientation for SY & TY students on 27<sup>th</sup> July, 2020 at 09:00 am via Virtual mode.

The orientation programme started at 9.00 am sharp with lighting of lamp and Saraswati Vandana. Asst. Prof. Deepika Valecha, Coordinator of BCBI welcomed Asst. Prof. Padmavati Deshpande, Coordinator of BMS who has started orientation sessions and guided students about Curricular & Co Curricular activities planned at college level for A.Y 2020 – 21. She further informed about the methodology to be adopted for education in online mode and informed about the training schedule to the students.

This programme has been useful to let the students know about values and culture of college. This event was a platform to let the students know that apart from academics college is also conducting curricular and co-curricular activities in the form of committees, i.e. Cultural committee, Department of Lifelong Learning cell, Sports committee, NSS etc.

The Schedule of training was as under:-

Date	Date wise agenda of the programme
28 <sup>th</sup> July, 2020	Understand what is institutional Email Id
29 <sup>th</sup> July, 2020	Introduction to Meet and Calendar and its usage
30 <sup>th</sup> July, 2020	Introduction to Classroom and its usage

The Objective of Training Session were as under :-

- Understand what is institutional Email ID?
- How will you receive an institutional Email ID?
- What do I do after receiving your institutional Email ID?
- What I need to do with Institutional Email ID?
- What is Meet?
- How to attend online lectures using your institutional email ID on Google Meet?

- Introduction to Calendar and its usage.
- Introduction to Classroom and its usage.

Asst. Prof. Krishnaji Salgaonkar, Faculty of Department of IT & CS has conducted a training Session. Students got the benefit of training which will help them for their virtual learning.

### Glimpses of Session:

*Asst.Prof Padmavati D. Informing about NSS Unit*

*Explanation About Various courses Offered at SST College*

## Session on Ethics in Banking

### BRIEF REPORT

The Department of Banking and Insurance had organized a Session on Ethics in Banking for students of SYBCBI & TYBCBI on August 20, 2020 at 11:00 am. The Session was conducted via Google Meet by Asst. Prof. Padma Deshpande – Coordinator of BMS Department.

The session began with Padma Ma'am introducing the concept of Ethics and its need for every individual, institution and society at large. Further she added the need of Ethics in Banking practices and its impact on society. She explained the concepts such as confidentiality, relation between banks, transparency in operations, and accountability. She also presented multiple case studies related to ethics in banking.

Students gained knowledge from session. Padma Ma'am ended the session with a quick question and answer round where she answered the queries of the students. The Total Number of Students benefited from the session were 37.

It is observed that there is deviation in accomplishing the program outcome of making Learners as responsible citizens with various academic and co – curricular courses imbibing sensitivity, moral & ethical values among them.

This Session was organized to achieve the given Program outcome.

## Session on Google Services

The Department of Banking and Insurance had invited Krishna Sir from IT-CS Department to conduct a Session on “Google Services” for the students to help them with their online education. The session was conducted online through Google Meet. Link was shared to all the students a day prior to the session.

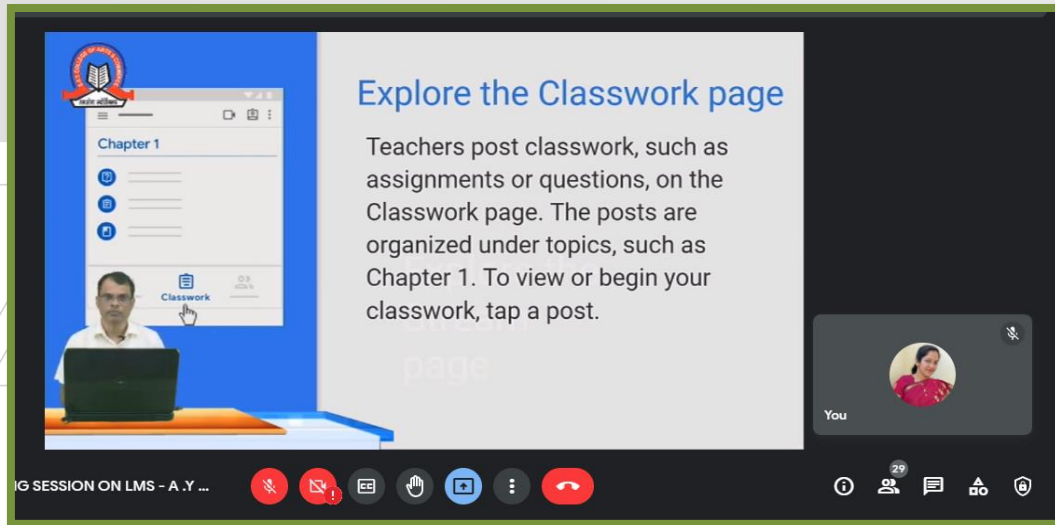

Mr. Krishna Salgaonkar explained various Google services such as Google drive, Google slides, Google docs, Google classroom and the Learning Management System (LMS) and how to use these services on the mobile phones as majority of the students attend lectures through their mobile phones. Students also learned about Google classroom where they can access the notes, assignments and quizzes of their respective subjects

The session was very engrossing as sir had shared his screen and showed a live demo of all the services. It has been observed that there is a variance in achieving the programme outcome of preparing learners to face upcoming challenges in the banking and insurance industry as well as in business, due to the specialization offered, which exposes them to practical aspects. This Session was built to serve the Program's objective.

### Glimpses of Session

## Peer Assisted Learning

### BRIEF REPORT

The Banking and Insurance Department had organized a Student Exchange programme on November 3, 2020 at 11:00 AM where a student from SYBCBI class was selected to deliver a lecture in the FYBCBI class.

Omkar Malvadakar from SYBCBI class delivered a lecture on “Types of Contract” from the subject Business Law to the FYBCBI class during lecture at 11:00 am. Students learned about various contracts such as contingent contract, unilateral, bilateral and voidable contracts. The lecture was very informative and interactive. Students also responded enthusiastically to the Lecturer. Asst. Prof. Sunil Shah appreciated Omkar for his explanation & confidence.

The lecture ended with Omkar asking questions to the FYBCBI students from the delivered lecture and students answering the same with promptness. Total Number of Students benefited were 25.

Peer Assisted Program developed confidence and presentation skills, The Deviation of Program outcome to face upcoming challenges was fulfilled.

## BRIEF REPORT

The Students of SST college had the opportunity to participate in a virtual webinar hosted by RBI in Mumbai on December 16, 2020, where they learned some practical and useful information. It was largely a webinar on financial and literary education. The real-time dynamics that pupils were exposed to improved their understanding well beyond textbooks and curriculum. The webinar began with students being virtually transported to a monetary museum, where they were shown a brief audio movie about the origins of cash and the evolution of money from the first piece of metal exchanged to the current system. Following that, the speaker discussed the obstacles that currency has encountered at many levels, as well as the adaptations that have been made to accommodate shifting trade patterns. Smt. Radha discussed the saving habit as well as the new virtual payment and banking concepts.

She requested that everyone sign up for nomination services. Shri. Kishor Gohil presented a brief talk on the RBI Monetary Museum and the Finance Ministry's Govt. Jeevan Jyoti Yojana. She also stressed the importance of remembering complex passwords while using online banking. Mrs. Neelima Mam detailed the amount you will earn when you surrender damaged or mutilated bills to banks or the RBI. Finally, Mr. Nitin Bhalero discussed the many forms of banking scams, as well as how to file a complaint and where to file an appeal. Number of Students benefited from the session were 100. Prof Padma Deshpande gave the vote of thanks.

It is observed that there is deviation in accomplishing the program outcome of making learners equipped to face upcoming challenges in the banking & insurance industry & business as specialization offered expose them to practical aspects. Webinar on Financial Literacy helped to fulfill the deviation in program outcome.

Online Workshop on “Digital Payment Literacy” by  
NPCI

**Mr. Raj Kumar** is a professional trainer with over 20+ years’ experience and is a Certified Financial Planner (CFP) with knowledge about the payments industry. He is also a Corporate Trainer and a representative for ICICI Prudential Life Insurance, ICICI Prudential Asset Management Co, Kotak Mahindra Bank, Reliance Mutual Fund, Reliance Securities, Axis Bank, IL&FS, and National Payment Corporation of India (NPCI).

**Date** : 18 Feb & 19 Feb 2021

**Platform** : Google Meet

**No of Participants** : February 18 2020 - 46, February 18 2020 - 76

Mr. Raj Kumar Sir and his team of speakers presented information on the 18th of February, 2021. Students from FYBMS, FYBAF, and FYBBI learned about the various payment options offered by NPCI and the advantages of using the on-line payment system. The team also explained concerns such as PIN safety, protection, and non-disclosure, as well as VCC and criminal regulations connected to payment system exploitation. Since then, students have learned a wealth of knowledge, thanks to the NPCI-online RBI's webinar, which they were able to join from the comfort of their own homes. The webinar engaged a total of 122 students from SYBAF, SYBMS, and SYBCOM. Mr. Probal Bhagat Sir, the next speaker, informed students about the Bharat Interface for Money (BHIM) App and how to use digital payment methods such as UPI (Unified Payment Interface), Google Pay, and Phonepe. Digital payment is both quick and secure. There's

no need to wait in a queue to pay bills. Banks take more time to pay physically so Digital Payment is the fastest.

Total number of registration were 82 out of which 76 Students attended the session. The session was helpful in fulfilling the deviation in program outcome of gaining Knowledge in the fundamentals of banking & insurance & deep understanding of all courses undertaken.
