SUMMARY REPORT

Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices. It gives the students an exposure to current work practices as opposed to theoretical knowledge being taught at their college classrooms. The students council had organized a visit to Lokmat Media P. Ltd on 29th July 2016 at their Ghansoli New Mumbai Printing Press. The resource person Mr. Haroon Shaikh made students understand the various stages of printing of News Paper. The Factory Manager Mr. Kamble explained to students about how fast printing is done when the news is bought at the last moment. The students were also aware about the welfare provisions provided by the press, as mentioned under Factory Act 1948 from the visit. Overall, it was a very good experience. 73 students learned and benefited from the visit .
