#### Summary Report:

Students Council hosted an online webinar on “ **FINANCIAL FREEDOM** ” on 21<sup>st</sup> July 2022 from 09.45 AM to 10.30 AM on Virtual Google Meet. The event was graced with the online presence of the Principal & IQAC Coordinator, Academic Dean, Coordinators of all Departments and Faculty Members and Students of our Colleges. The session began with the introduction of the guest Speaker Mr Kaushal Kumar Mishra by Asst Prof Padma Deshpande. The Resources Person highlighted to the students that the key to financial freedom is straightforward: convert your conventional earned income into passive income or portfolio income. With this in mind, it is straightforward to achieve the goals you desire without giving up on things that you genuinely value. The resource also highlighted to the students to set life goals big and small, financial and lifestyle and create a blueprint for achieving those goals. The session was then followed with a question and answer round to the speaker who promptly replied on the same. All 162 registered students for the webinar received the participation certificate. The session concluded with a vote of thanks by Asst Prof Sunil N Shah.

Date : 24<sup>th</sup> Dec 2022

Time : 11.30 AM to 2.30 PM

No of Students Attended : 232

#### Summary Report:

On 24<sup>th</sup> December 2022, an engaging and informative General Knowledge (GK) competition was organized by the Students Council. The event aimed to test the participants' knowledge across various subjects while providing an opportunity for intellectual growth and healthy competition. The event took place in Room No 31,32,33,34 of the Extension Building on the college premises. The GK competition commenced at 11:30 AM and lasted until 2:30 PM, featuring a comprehensive set of questions that covered a wide range of topics such as history, geography, science, sports, literature, and current affairs. The questions were carefully crafted to challenge the participants' knowledge and encourage critical thinking. A total of 232 students participated in the competition, demonstrating their enthusiasm and interest in expanding their general knowledge. The students hailed from various departments within the college, creating a diverse and inclusive environment for learning. One of the notable aspects of this event was that it was entirely managed by the students themselves. From planning and organizing to logistics and execution, the students demonstrated exceptional teamwork and leadership skills. They divided themselves into different committees responsible for various aspects, including question preparation, event promotion, venue setup, and time management. The event showcased the students' ability to take initiative and shoulder responsibilities, providing them with a practical learning experience beyond the confines of the classroom. It fostered a sense of ownership and community within the college, promoting a collaborative spirit among the student body. By organizing such events, the college not only encourages academic development but also cultivates essential skills such as teamwork, leadership, and event management. The GK competition was a testament to the college's commitment to holistic education and empowering its students.
