FIRST TERM TRAINING ORIENTATION

The First Term Training Orientation was organized on 5th August, 2016 in Room No. 208 G-1 for all the DLLE Enrol students. The objective of orientation program was to make students aware about the registration process, selection of student managers, to inform them about all activities planned for the academic year 2016-17 and to inform them about a tentative schedule of activities that the DLLE unit intends to undertake in the current academic year 2016-17. To facilitate the sensitization of the students to the socio-cultural realities, the department offers students extension work projects encompassing social issues. The student is awarded 10 additional marks at the final exam for a project on completion of 120 hours of work and the submission of a project report which are undertaken by degree college students. Where the total number of 312 students had participated.

The Resource Person speaker, Prof. Sunil Naimbiar (field Coordinator) informed the students that the DLLE offers flexible continuing education opportunities for the students. As a well-founded academic Department of the University of Mumbai, the Department is committed both to the highest standards of excellence, and also provides an opportunity to interested learners. The main aim of the extension education is for the development of the students academically and practically. The orientation program was conducted by Extension Work Teachers – Asst Prof. Dilip Ahuja. The students were briefed about how beneficial it is to be a part of the DLLE unit to inculcate the much-needed awareness in students. Students were very motivated to enrol in this department as they are to take up the projects which give them exposure to the world outside four walls, had been spoken on the knowledge about various activities, even the speaker ensured that the students understood the true meaning of "Reach to Unreached " as well as aware about the various criteria to be followed to gain 10 marks addition. Speaker had given stress on the benefits of extension activities which would be helpful to the society. Thus, the programme was conducted successfully. A total of 312 Students participated in the event Asst. Prof Dilip Ahuja We would like to thank the management and the college authorities for giving us this type of opportunity and permission to conduct the student oriented successful session.

KRANTI DIWAS

On the 9th of August, 2016, a rally was organized for DLLE students under the DLLE Unit, in which 34 students participated. The rally was held by lighting candles from SST College to Amar Jawan Chowk. The students paid tribute to our institute and to the soldiers who had given their lives for our country. On August 9, 1942, Mahatma Gandhi and the Indian National Congress announced to the British government their intention to leave India. It is also known as Kranti Diwas. On this day, we honor freedom fighters and celebrate National Integration Day. The goal of this rally was to raise awareness among the youth about this day. Before the rally, the necessary permission from authorities was obtained. The rally was attended by 34 students from DLLE. DLLE Unit likes to thank the management and college officials for providing us with this opportunity and permission to hold the rally.

PROJECT RAKSHA

The DLLE Unit of SST College had organized the PROJECT RAKSHA from 25th August till to 28th August, 2016 in which students distributed the first aid boxes to busy street areas, which can be helpful for persons to distribute in case of emergency. The students to the Person so that they can use it in case of any emergency. On 25th August, 2016 they had distributed the boxes at Netaji main road and on 26th August at Venus Chowk and on 28th August at Ulhasnagar Railway Station, it may be noted that in the evening, many accidents take place due to crowded and heavy traffic zone of Ulhasnagar area, and with the help of this activity, we were trying to create awareness among the people about the uses of first aid boxes. First aid kits made available via normal retail routes have traditionally been intended for treatment of minor injuries only. Typical contents include adhesive bandages, regular strength pain medication, and gauze and low grade disinfectant.

We would like to thank the management and the college authorities for giving us this opportunity and permission to conduct this activity.
