Workshop on Nature Photography

Report

"Nature's click" - a Workshop on Nature Photography was arranged on 21st August 2018. Photography Workshops are a great thing to enhance skills while also being a way to step out of our comfort zones and try something new. To see the world from a different angle and to capture the beauty of nature, photography skills are a must.

150 students participated in the workshop with a lot of enthusiasm and excitement. The chief guests for the workshop were Dr. Heena Moolpani Madam and Mr. Pradeep Singh. The programme was inaugurated by lighting the lamp.

Dr. Heena Moolpani Madam shared the importance of a balanced ecosystem thriving under sustainable development, terms that are now found only in the books. She also spoke about the importance of environmental conservation.

Prof. Pradeep Singh is a professional photographer who shared his experiences with the students. He said that photos are everywhere. He tried to show the students as many pictures as he could so that they could understand the art in its real form. The students gained much information regarding the photography such as angles, filters, grids, etc. He also showed the use of professional cameras and the techniques to handle them.

The workshop came to a conclusion with a vote of thanks and singing the National Anthem.

Glimpses

Mr Pradeep Singh providing some fundamental knowledge about photography

Poster Competition

Report

The Nature Club of SST College of Arts and Commerce organized a poster making competition on 19th January 2019. The theme for the competition was Environment, wherein the students were asked to express their ideas through paintings and sketches. 29 students participated in the competition.

Dr.Gunjeet Kaur Madam and Mr. Deepak Gavade Sir were invited as judges. Beautiful posters gave the message of saving our mother Earth and providing a greener Environment to our future generations. The students wonderfully depicted the dangers harming the planet and many messages and thoughts were also beautifully represented by our young artists on the paper.

Later the prize distribution ceremony took place. The winners for the competition were:

1. Ashif Shaikh
2. Yaashica Khushwaha

Our guest congratulated the winners and handed over their trophies. The competition was really enjoyed by all the students.

Glimpses

Students make posters on various environmental and social challenges.

Tree Plantation Programme

Report

At the inauguration of the Nature Club of SST College of Arts and Commerce, the club decided to organize a tree plantation programme on 26th July 2018.

Seeing the need to keep our surrounding green and healthy, this initiative took fruit at MoryaNagri Village. Many students participated in the event. Saplings were provided by the college. Students as well as teachers were highly enthusiastic during the event. They planted varieties of plants like Mango, Neem, Peepal, Banyan, etc. Teachers also taught the students about the methods of plantation.

At the end of the event, Mrs. Khushboo Purswani Madam appealed to the students to plant the saplings near their homes, so that we can protect our planet and make it a better place to live.

Glimpses
