and skill, the college teams stood out in multiple sports events.

In the Tenniquoit Competition, both the girls' and boys' teams emerged victorious, securing the first prize and demonstrating exceptional teamwork and athletic talent. "Our preparation focused on building team coordination and refining strategies, which paid off in the competition," said Riya Mehta, captain of the girls' Tenniquoit team.

The girls' handball team also claimed the top spot, adding another win to the college's impressive record. "We trained rigorously, and this win is a testament to our hard work and unity," shared Priya Sharma, captain of the handball team.

baseball competition. "We gave our best and learned valuable lessons for future tournaments," commented Rohit Verma, a member of the softball team.

Praising the students' dedication, the college management expressed pride in their achievements. "Our students' consistent performance reflects their passion and commitment to sports. We are proud of their accomplishments and look forward to more such victories," said the college sports coordinator.

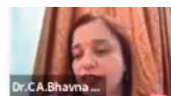

This sustained success in the DSO Competitions underscores SST College's commitment to nurturing talent and promoting excellence in sports.

Instructors explain exam paper patterns to help students strategize their preparation

In an effort to provide essential academic guidance, the Department of Commerce recently organized a crash course series for third-year students ahead of the upcoming university examinations. The initiative aimed to help students enhance their understanding of key subjects and prepare effectively for the exams.

The series, conducted online, featured expert-led sessions where subject specialists provided detailed insights and guidance. These sessions focused

on the importance of such academic initiatives. "Students actively participated in the program, expressing appreciation for the timely and practical advice received. "The crash course series clarified many of my doubts and gave me a clear direction for my exam preparation," said Priya Sharma, a third-year commerce student.

Another participant, Rohan Verma, added, "The expert guidance we received was invaluable. It boosted my confidence and provided clarity on crucial topics."

The overwhelming response from the attendees reflected the value and importance of such initiatives in supporting academic success.

The Department of Commerce expressed satisfaction with the positive feedback and reaffirmed its commitment to facilitating educational growth.

SST COLLEGE NSS UNIT UNDERTAKES CLEANLINESS AND TRAFFIC MANAGEMENT DRIVE

NSS Unit of SST College recently took an active role in promoting environmental responsibility and civic awareness by participating in a Cleanliness Drive and Traffic Management initiative. The event was organized in collaboration with the Ministry of Youth Affairs & Sports, Government of India.

As part of the cleanliness drive, volunteers cleaned public areas, including roads, parks, and college premises, promoting the message of hygiene and environmental care. They also educated the public about the importance of maintaining cleanliness in their surroundings.

In the traffic management activity, students collaborated with local authorities to assist in controlling traffic during peak hours, guiding commuters, and encouraging adherence to traffic rules. The initiative aimed to ease congestion and raise awareness about road safety.

"Such initiatives foster environmental consciousness and nurture a sense of civic responsibility among students," said the NSS program officer. "It also helps them understand the importance of contributing to the community."

The local community appreciated the students' efforts, with many expressing gratitude for their dedication to promoting cleanliness and safety. NSS Unit plans to continue engaging in initiatives to strengthen community welfare and environmental sustainability.

STUDENTS AND FACULTY BENEFIT FROM ON-CAMPUS AADHAAR UPDATE DRIVE

Group photo of students, teachers, and officials marking the successful completion of the Aadhaar Card Update Camp.

In a move to facilitate essential services for the college community, the Students Council of SST College recently organized an Aadhaar Card Update Camp. The camp was aimed at providing students and faculty members with a convenient opportunity to update their Aadhaar information without the hassle of visiting external centers.

The two-day camp, held on the college campus, saw active participation from both students and teachers. Trained officials were present to assist with corrections in demographic details, biometric updates, and other necessary modifications. Participants expressed satisfaction over the smooth and systematic process."

Bringing such services to the campus makes it easier for everyone to access government facilities without taking time off their academic schedules," said a representative of the Students Council. "The positive response from both students and teachers motivates us to continue organizing such initiatives."

The camp also emphasized the importance of updated identification for availing government benefits and services. Feedback from participants highlighted the camp's efficient management and helpful staff. Faculty members appreciated the council's proactive approach. "

This camp saved us time and effort. The arrangements were well-organized, and the process was seamless," shared one of the faculty members.

The Students Council aims to conduct more such initiatives in the future, reinforcing its commitment to addressing the practical needs of the college community.

SST COLLEGE NSS VOLUNTEERS BOOST VOTER AWARENESS WITH RALLY AND DOOR-TO-DOOR CAMPAIGN

SST College NSS volunteers pose for a group photo after successfully conducting the voter awareness rally and door-to-door campaign.

In an effort to enhance voter awareness during the election season, NSS volunteers from SST College took proactive steps to encourage informed voting among citizens. The volunteers actively participated in a Voter Awareness Rally, emphasizing the importance of voting and encouraging people to exercise their democratic rights. The rally aimed to spread the message of responsible citizenship and the significance of each vote in shaping the

nation. Additionally, the volunteers conducted a door-to-door campaign, engaging with residents to inform them about the voting process and its importance. Through direct conversations, they addressed queries and emphasized the value of every single vote in a democratic setup.

"Creating awareness about the voting process is essential for strengthening democracy. Our volunteers

are dedicated to ensuring that every citizen understands the power and responsibility of their vote," said the NSS program officer of SST College.

The initiative was well-received by the community, with many appreciating the efforts to raise awareness and encourage greater participation in the upcoming elections. The NSS unit aims to continue such initiatives to promote active and informed civic engagement.

LIGHTS, CAMERA, CELEBRATION! BAMMC DEPARTMENT HOSTS VIBRANT BOLLYWOOD DAY

STUDENTS BRING BOLLYWOOD GLAMOUR TO CAMPUS WHILE GAINING HANDS-ON EVENT MANAGEMENT EXPERIENCE

Students and faculty shine with vibrant Bollywood-themed performances, shared laughter, and warm greetings from the Principal, capturing the spirit of celebration during SST College's Bollywood Day.

In an engaging and vibrant celebration, the BAMMC Department of SST College organized a Bollywood Day, aimed at blending creativity with practical learning for students. The event saw enthusiastic participation from students across various departments, highlighting the college's commitment to fostering an interactive learning environment.

Organized entirely by the students, the event provided them with hands-on experience in event management, from

planning and coordination to execution. The celebration featured students dressed as iconic Bollywood characters, along with performances that paid tribute to the Indian film industry."

Organizing Bollywood Day was not just about celebration but also about learning the intricacies of event planning," said one of the student organizers. "It gave us real-world insights into teamwork, creativity, and coordination."

Dr. J. C. Purswani,

Founder Principal commended the initiative, stating, "Such creative events provide students with a platform to showcase their talents while learning essential management skills. It is inspiring to see the enthusiasm and dedication displayed by our students."

Dr. Deepak Gavade, BAMMC Coordinator added, "Bollywood Day is a perfect blend of fun and learning. It encourages students to embrace cultural diversity while honing organizational abilities. Their

commitment and creativity were truly commendable." Faculty members also praised the students' efforts in organizing the event. "

Such activities promote creativity and practical learning while encouraging students to explore cultural expressions," noted a faculty member.

The Bollywood Day celebration proved to be a successful blend of entertainment and education, reflecting the BAMMC Department's approach to holistic learning experiences.

DLLE UNIT RAISES ONLINE SCAM AWARENESS WITH ENGAGING STREET PLAY

Department of Lifelong Learning & Extension Volunteers & Coordinator felicitated with a shawl, trophy, and certificate in recognition of efforts towards raising online scam awareness through an impactful street play.

In an impactful initiative, the DLLE Unit of SST College organized a thought-provoking street play to raise awareness about online scams. The performance was held in collaboration with Maa Shakti Seva Sanstha and Lions Club Ulhasnagar, aiming to educate the community about the risks and preventive measures associated with online

fraud.

The street play effectively highlighted common tactics used by scammers and emphasized the importance of vigilance in digital transactions. The engaging narrative and realistic portrayal resonated with the audience, sparking meaningful conversations about online safety."

Our goal is to empower individuals with the knowledge to recognize and avoid online scams. The street play is an effective medium to reach out to people and spread awareness," said a representative from the DLLE Unit.

In recognition of their compelling performance, the team was awarded a trophy

and certificates, acknowledging their creative efforts in promoting digital safety.

The event was well-received by the audience, who appreciated the initiative's relevance in today's digital age. The DLLE Unit plans to continue such awareness campaigns, contributing to building a more informed and secure community.

BCBI DEPARTMENT ORGANISES GUIDANCE LECTURE ON RESEARCH METHODOLOGY

Dr. Varsha Sawlani guiding students on research methodology during the insightful lecture organized by the BCBI Department.

Department of Banking and Insurance (BCBI) at SST College recently organized an insightful guidance lecture for its students, focusing on the topic of Research Methodology. The session aimed to enhance students' understanding of research concepts and methodologies crucial for academic and professional success.

The lecture was conducted by Assistant Professor Dr. Varsha Sawlani, who served as the resource person. She provided valuable insights into research processes, data collection methods, and analytical techniques, equipping students with essential knowledge for their academic pursuits."

Understanding research

methodology is vital for students pursuing higher studies or entering the professional field. This session was designed to simplify complex concepts and provide practical guidance," said Dr. Sawlani.

Students actively engaged in the session, asking questions and discussing real-life research scenarios, which enriched their learning experience.

The department's initiative reflects its commitment to providing practical learning opportunities that bridge the gap between academic theory and real-world application. The BCBI Department plans to organize more such lectures to support students' academic growth and professional development.

UNIVERSITY EXAM GUIDANCE LECTURE ORGANIZED FOR BA STUDENTS AT SST COLLEGE

Assistant Professor Aditya Dhayfule guides BA students on effective exam preparation strategies during the University Exam Guidance Lecture.

The session was conducted by Assistant Professor Aditya Dhayfule from Shailendra Education Society, who provided valuable insights and strategies to help students excel in their exams. Key topics discussed included effective study techniques, time management, and understanding exam patterns, all aimed at enhancing the students' preparation process."

Guidance sessions like these are essential for stu-

dents to understand the examination framework and approach their studies with confidence," said Prof. Dhayfule during his lecture.

Students actively participated in the session, seeking advice on common challenges faced during exams. The guidance provided is expected to significantly benefit them in managing their preparations and boosting their performance.

SST COLLEGE CELEBRATES THE LEGACY OF MAHATMA GANDHI AND LAL BAHADUR SHASTRI WITH RESPECT AND REFLECTION

Students watch a short film clip showcasing the inspiring legacy of Mahatma Gandhi and Lal Bahadur Shastri during the commemorative event at SST College.

SST College marked the birth anniversaries of Mahatma Gandhi and Lal Bahadur Shastri with a solemn and respectful celebration, honoring the enduring legacies of these two great leaders of India.

The ceremony began with

teachings alive among the younger generation. It is important for students to remember the values they stood for," said a faculty member during the event.

Dr. J. C. Purswani, Founder Principal remarked,

"The ideals of Mahatma Gandhi

Dr. Suvarna Ahire and Asst. Prof. Yogesh Patil, along with NSS volunteers, pay tribute to Mahatma Gandhi, honoring his legacy of peace and non-violence during the commemorative program at SST College.

floral tributes, as garlands were respectfully placed on the statues of Mahatma Gandhi and Lal Bahadur Shastri, acknowledging their immense contributions to the nation. Students and faculty gathered to offer their respects and reflect on the values of truth, non-violence, simplicity, and integrity that both leaders embodied.

To further educate and inspire students, visuals highlighting the life, struggles, and significant achievements of both Gandhi and Shastri were presented. This initiative aimed to deepen the understanding of their philosophies and encourage students to uphold their timeless principles in their personal and academic lives."

Celebrating these iconic leaders is a way to keep their

and Lal Bahadur Shastri continue to guide us as a nation. Their dedication to truth, simplicity, and service is an inspiration for our students. Such commemorations remind us of our responsibility to uphold these values."

A student participant shared, "Learning about Gandhi and Shastri's contributions through visuals gave us a deeper insight into their lives. It was inspiring to see how their values can still guide us today."

The observance not only paid homage but also served as an educational experience, reinforcing the importance of ethical leadership and national service. SST College continues to instill such values through its commemorative events and educational initiatives.
