- M.Com.
- M.Com. (E-Commerce)
- M.Sc. (Computer Science)
- M.Sc. (Information Technology)
- M.A. (History)
- M.A. (Economics)
- M.A. (Political Science)
- M.A. (Education)

These programs are designed to blend academic knowledge, practical exposure, and ethical values, ensuring our students graduate with both competence and character.

About the Organising University

TechNova 2025 is organized by Eudoxia Research University, Newcastle, USA, in collaboration with SST COLLEGE OF Arts and Commerce, Ulhasnagar, Thane. This prestigious event is set to redefine the paradigms of Application of Technology in Multidisciplinary Research and Development.

Eudoxia Research University, New Castle, USA, is a world-leading institution dedicated to fostering transformative research and innovation. With a global presence spanning 193 countries, Eudoxia serves as a hub for cutting-edge academic exploration, multidisciplinary collaboration, and impactful discoveries. The university is renowned for its focus on real-world applications, helping researchers and scholars create inventions, develop patents, and publish groundbreaking work in globally recognized platforms.

About TECHNOVA 2.0

TECHNOVA 2.0 – 2026 is the Second International Conference on Emerging Trends in Technology, Science, and Multidisciplinary Innovation jointly organized by Eudoxia Research University, USA, Eudoxia Research Centre, India, and S.S.T. College of Arts and Commerce, Maharashtra, India.

The conference aims to provide a dynamic international platform for academicians, researchers, industry experts, professionals, and students to exchange innovative ideas, present original research papers, and discuss contemporary developments in diverse fields of science, technology, management, commerce, and multidisciplinary studies.

The conference encourages scholarly interaction and collaborative research focused on addressing global challenges through innovative and sustainable solutions. TECHNOVA 2.0 – 2026 seeks to promote academic excellence, interdisciplinary learning, and research-driven innovation by bringing together eminent speakers, researchers, and practitioners from across the world.

The conference will be held on 28th May and 29th May, 2026, and will feature keynote sessions, paper presentations, panel discussions, and networking opportunities designed to inspire intellectual growth and foster future research collaborations.

Selected research papers will contribute towards advancing knowledge and encouraging practical applications in emerging domains of technology, science, and multidisciplinary innovation.

Major Themes and Research Areas

TechNova 2.0 2026 welcomes original research papers, review papers, case studies, conceptual papers, innovations, and interdisciplinary research across multiple domains including but not limited to:

COMMERCE AND MANAGEMENT

- ✓ Impact of E-Commerce Platforms on Traditional Retail: Challenges and Opportunities
- ✓ Corporate Governance and Ethical Leadership in the Era of Globalization
- ✓ Supply Chain Resilience and Management Strategies Modern Technology
- ✓ Digital Transformation and Strategic Management in Modern Commerce
- ✓ Entrepreneurship and Start-up Ecosystems: Emerging Trends in Developing Economies

- ✓ Interdisciplinary Approaches to Sustainable Development: Integrating Science, Economics and Policy
- ✓ Convergence of Health Sciences, Technology and Social Policy for Universal Healthcare
- ✓ Smart Agriculture: Combining Agri-Science, Data Analytics and Rural Economics
- ✓ Design Thinking and Innovation Management Across Disciplines for Social Impact
- ✓ Interdisciplinary Research in Disaster Risk Reduction: Science, Policy and Community Action

Note

Participants are also encouraged to select any other innovative topic that aligns with the conference theme, “Emerging Trends In Technology, Science, And Multidisciplinary Innovation 2026”.

Research Paper Guidelines

- ✧ Paper must be original and unpublished.
- ✧ Plagiarism should be below 20%.
- ✧ Abstract should contain 150 –300 words with 3-4 Keywords.
- ✧ Full paper should be between 6–12 pages.
- ✧ Paper should follow APA format.
- ✧ Paper must be submitted in MS Word format.
- ✧ All accepted papers will receive participation certificates.
- ✧ Presentation E-Certificates will be given only to those presenting the paper.
- ✧ Registration is mandatory

Important Dates

- ✧ Abstract Submission Last Date : 14th May 2026
- ✧ Full Paper Submission : 25th May 2026
- ✧ Registration Deadline : 15 May 2026
- ✧ Conference Dates : 28th –29th May 2026

Registration Fees

- ✧ Students & Research Scholars: ₹1100
- ✧ Academicians: ₹1300
- ✧ Authors/Co-Authors : Each participant must complete a separate registration and payment.

Payment Details

Bank Name : Central Bank of India
Account Name : S.S.T College of Arts & Commerce
Account Number : 3843806373
IFSC Code : CBIN0283808
Branch : Ulhasnagar -4

Publication Opportunity

Selected and accepted research papers presented at TechNova 2.0 2026 will be published in the conference edited volume titled:

“TechNova 2026 – Volume 2” The conference proceedings will be published with an ISBN Number under the publication division of: Research Beacon Publication The publication aims to showcase high-quality scholarly contributions, innovative research findings, and interdisciplinary advancements from researchers and academicians across the globe. All submitted papers will undergo a structured academic review process to ensure: Originality and authenticity of research Relevance to conference themes Academic quality and clarity Research contribution and innovation Methodological and analytical strength The publication provides authors with an opportunity to gain international academic visibility and contribute to a globally recognized scholarly volume dedicated to technological advancement, scientific innovation, and multidisciplinary research excellence.

Awards & Recognition

TechNova 2.0 2026 recognizes exceptional academic contributions, innovative research, impactful presentations, and leadership in multidisciplinary development through a series of prestigious international awards. The awards are designed to encourage research excellence, inspire innovation, and acknowledge individuals who have demonstrated outstanding scholarly and professional achievements. International Conference Awards.

Best Oral Paper Presentation Award Presented to participants demonstrating exceptional research quality, presentation skills, originality, and academic contribution during the oral presentation sessions.

Best Inspirational Keynote Speaker Award Recognizes keynote speakers whose presentations significantly inspire innovation, interdisciplinary collaboration, and intellectual engagement among participants

Who Can Participate

- ✓ UG Students
- ✓ PG Students
- ✓ Research Scholars
- ✓ Faculty Members
- ✓ Industry Professionals

Guidelines for Abstract Submission

Researchers, academicians, professionals, innovators, and students interested in participating in TechNova 2.0 2026 are invited to submit their research abstracts aligned with the conference themes and multidisciplinary focus areas. The abstract should clearly present the purpose of the study, methodology, key findings, innovation aspects, and significance of the research contribution.

Abstract Submission Requirements

Authors are requested to include the following details in their submission:

- ✧ Title of the research paper (preferably within 16 words)
- ✧ Full name(s) of author(s) and co-author(s)
- ✧ Institutional affiliation(s)
- ✧ Official email address(es)
- ✧ Research abstract between 150–300 words
- ✧ 3 to 5 relevant keywords
- ✧ Submission in MS Word format only

All submissions should maintain academic integrity, originality, and clarity in presentation. Abstracts will be reviewed by the conference academic committee based on relevance, quality, innovation, and contribution to the conference themes.
